New & Renewal Student Application Checklist

2025-26 RENEWAL STUDENT APPLICATION CHECKLIST

Renewing your child's scholarship for a Private School (FTC/FES-EO), Unique Abilities (FES-UA), or PEP Scholarship requires certain documents for review and this guide is here to help you gather everything you need. If your student received funds in 2024-25, they're considered a renewal student.

Proof of Florida Residency:

Proof of Residency requires one document from Column A or two different documents from Column B. All documents must be current (dated within two months for recurring bills or statements), valid, and match the parent's or guardian's (primary or secondary) full name and the physical address on the application.

Column A Upload a copy of one of these documents	Column B Upload a copy of two of these documents
Utility bill (electric, gas, water)	Florida Driver's License or state-issued ID card
Mortgage statement or residential lease agreement	Paystub
Proof of current government benefits (Social Security, Veterans Affairs, Disability, Medicare, Section 8/HUD, TANF, SNAP, DCF correspondence)	Insurance policy statement (auto, health, home, or renters)
Homestead or Property tax statement/assessment	Mortgage acceptance letter
Permanent Change of Station (PCS) military orders*	Property Deed
Verification of homelessness	<i>Please note: Both documents from Column B need to be from the same guardian and must be from different categories.</i>
Migrant Address Verification Letter	

*Active-duty members of the United States Armed Forces who do not have a Florida residential address at the time of application but have received Permanent Change of Station (PCS) orders must provide a copy of their PCS orders in the application documents and list the Florida address of the unit to which they are being assigned or from which they are being relieved.

Social Security Number

A Social Security Number will need to be entered for you and your student.

Note: FES applications require student social security numbers. If you or your student do not have a Social Security Number, leave this question blank. Your student will only be considered for a Private School Scholarship (FTC).

Diagnosis Documentation:

Additional documentation may be necessary for certain Unique Abilities Scholarship (FES-UA) applications. If your student previously qualified for the FES-UA scholarship under one of the following categories, you must submit documentation to demonstrate the student qualifies under an eligible diagnosis for the 2025-26 school year:

- Students who qualified as "high-risk" and who are turning 6 on or before September 1, 2025
- Students who qualified based on being hospitalized or homebound

Switching to Another Scholarship

If you're considering switching from a PEP to a Private School Scholarship, or vice-versa, please do not decline your current scholarship. Instead, reach out to us at 1-877-735-7837 to initiate the switch!

However, if you're looking to change from the Private School Scholarship or PEP to a different scholarship, you must first decline your current scholarship. This will remove the student from the Private School Scholarship or PEP, making them eligible to apply for other scholarships.

Remember, the deadline for switching to PEP is April 30, 2025.
