WHAT ARE THE STEPS TO ENROLLMENT WITH STEP UP?

FTC/FES-EO

Q: Can you please provide the process for submitting a reimbursement?

A: Reimbursement requests are year-specific. Requests for reimbursements using scholarship funds from the 2024-25 school year may be submitted at any time after the purchase is made, as long as the items or services were purchased between July 1, 2024, and June 30, 2025.

Submitting Reimbursements in EMA

FTC/FES-EO

Q: What are the reimbursement options for after-school care?

A: The Step Up For Students program offers financial support that can significantly enhance a student's educational journey. However, it is crucial to recognize the limitations on how these funds can be used. Specifically, funds cannot be utilized for after-school care services. This restriction ensures that the program's resources are dedicated solely to educational enrichment and skill development activities that directly contribute to a student's academic and personal growth. On the other hand, families can use these funds for academic tutoring or athletic programs, as both are considered eligible expenses according to the program's guidelines.

FTC/FES-EO

Q: How can we determine if there are any remaining scholarship funds for tutoring or supplies?

A: Please follow these steps:

1. Log into EMA
2. Locate your student on the dashboard
3. Click on "View Student" or "View All"

Available funds will be displayed in blue

A screenshot of the Scholarship Portal interface. The page title is "Scholarship Portal". On the left, there is a "Student Profile" section with fields for Student Name, Student ID (123456789), Name, DOB (4/8/2017), Gender (Female), Ethnicity (Non-Hispanic or Latino), Race (White), Relationship To You, and Student FLEID number. On the right, there is a "Current Funds Available" section with a red box around the text "Current Funds Available" and "FTC FES-EO \$0.00 \$0.00". A blue arrow points from the right towards this section. Below this is an "Applications" section with two entries: "FES-EO (24-25) Funded" with Award ID 23456789 and Program Award Amount \$8,246.00, and "FTC (23-24) Funded" with Award ID 23456789 and Program Award Amount \$8,001.00. Each application entry has a "VIEW APPLICATION" button. In the top right corner, there is a "PRINT AWARD ID" button.

FTC/FES-EO

Q: How are the quarterly payments distributed?

A: The overall scholarship amount is split into four equal parts. For example, if a student receives a scholarship of \$8,000.00, each quarterly disbursement will be \$2,000.00.

FTC/FES-EO

Q: What is the process for receiving funds if my child begins public school and later transfers to a private school?

A: Initially, students need to apply for the scholarship and ensure that their child is officially withdrawn from the public school system. Once the scholarship is awarded, the award ID number must be submitted to the private school for enrollment. To complete the enrollment process, parental approval is necessary via their EMA account.

We hope this allows you to access the information at your convenience.
