2025-26 RENEWAL STUDENT APPLICATION CHECKLIST

Renewing your child's scholarship for a Private School (FTC/FES-EO), Unique Abilities (FES-UA), or PEP Scholarship requires certain documents for review and this guide is here to help you gather everything you need. If your student received funds in 2024-25, they're considered a renewal student.

Proof of Florida Residency:

Proof of Residency requires one document from Column A or two different documents from Column B. All documents must be current (dated within two months for recurring bills or statements), valid, and match the parent's or guardian's (primary or secondary) full name and the physical address on the application.

Column A Upload a copy of one of these documents	Column B Upload a copy of two of these documents
Utility bill (electric, gas, water)	Florida Driver's License or state-issued ID card
Mortgage statement or residential lease agreement	Paystub
Proof of current government benefits (Social Security, Veterans Affairs, Disability, Medicare, Section 8/HUD, TANF, SNAP, DCF correspondence)	Insurance policy statement (auto, health, home, or renters)
Homestead or Property tax statement/assessment	Mortgage acceptance letter
Permanent Change of Station (PCS) military orders*	Property Deed
Verification of homelessness	<i>Please note: Both documents from Column B need to be from the same guardian and must be from different categories.</i>
Migrant Address Verification Letter	

*Active-duty members of the United States Armed Forces who do not have a Florida residential address at the time of application but have received Permanent Change of Station (PCS) orders must provide a copy of their PCS orders in the application documents and list the Florida address of the unit to which they are being assigned or from which they are being relieved.

Social Security Number

A Social Security Number will need to be entered for you and your student.

Note: FES applications require student social security numbers. If you or your student do not have a Social Security Number, leave this question blank. Your student will only be considered for a Private School Scholarship (FTC).

Diagnosis Documentation:

Additional documentation may be necessary for certain Unique Abilities Scholarship (FES-UA) applications. If your student previously qualified for the FES-UA scholarship under one of the following categories, you must submit documentation to demonstrate the student qualifies under an eligible diagnosis for the 2025-26 school year:

- Students who qualified as "high-risk" and who are turning 6 on or before September 1, 2025
- Students who qualified based on being hospitalized or homebound

Parent/Guardian Terms & Conditions

By submitting this scholarship application, under the penalty of perjury, I certify the following:

- I, and any applying student, meet the residency requirements for the scholarship programs in the State of Florida and I understand that continued physical residency is a requirement for scholarship participation. I understand that I must notify Step Up For Students if either myself or my student moves out of the State of Florida while my student is participating in a scholarship program.
- The information I am providing in the course of the scholarship application and management process is true and accurate. I understand that providing false representations constitutes an act of fraud. False, misleading, or incomplete information may result in the denial of the scholarship application or revocation of a scholarship award.
- I understand additional information and/or documentation related to my application may be requested at any time post-award for auditing purposes. I understand if a post-award audit determines my student is not eligible, their scholarship may be rescinded.
- I have read, understand, and agree to the policies outlined in the Step Up For Students parent/guardian materials, including the [Parent/Guardian Handbook](#), [Program Purchasing Guide](#), these Terms & Conditions, and the Sworn Compliance Statement. Step Up reserves the right to routinely update, modify, or alter the parent/guardian materials without notifying me of any such updates. I understand that I am bound by the terms of these materials.
- I understand that if I am seeking income prioritization for my student, I authorize Step For Students to access information needed for income eligibility determination and verification held by other states or federal agencies, including but not limited to the Department of Revenue, the Department of Children and Families, the Department of Education, the Department of Economic Opportunity, and the Agency for Health Care Administration.
- I understand that a student enrolled on a full-time basis in the Florida Virtual School, the Florida School For The Deaf and Blind, the College-Preparatory Boarding Academy, the Florida School for Competitive Academics, the Florida Scholars Academy, a developmental research school, a charter school, or any other Florida public school is ineligible to receive a Family Empowerment Scholarship or a Florida Tax Credit scholarship. If my student enrolls on a full-time basis during this school year, it will result in forfeiture of scholarship participation and the return of any remaining scholarship funds. This does not prohibit students using the Family Empowerment Scholarship or Florida Tax Credit Scholarship from attending one or more of these programs on a part-time basis, provided they are meeting regular school attendance requirements per s. 1003.01(16)(b)-(d), F.S. in some other way. *Any participation in a public school on a part-time basis while receiving a scholarship must be paid for by the guardian using either personal or scholarship funds. A scholarship student may not be reported for state funding by a school district **and** receive a scholarship at the same time.*
- I understand that I may not apply for multiple scholarships under the Family Empowerment Scholarship and the Florida Tax Credit Scholarship programs for an individual student at the same time.
- I understand that failure to comply with any responsibilities or policies associated with a choice scholarship program may result in scholarship suspension, revocation, and/or reporting to the Florida Department of Education.
- I understand that I am responsible for procuring the services necessary to educate my student(s) and that if I do not, and if my student's account is inactive for two consecutive fiscal years, my student's scholarship account must be closed, and any remaining funds shall revert to the state.
- I understand that if my student is awarded a scholarship, the district school board is not obligated to provide my student with a free, appropriate public education.
- If utilizing scholarship funds for direct payment to an eligible private school, I understand that I must approve each payment to the eligible private school before the scholarship funds may be deposited by funds transfer. I may not designate any entity or individual associated with the eligible private school as my attorney in fact to approve a funds transfer.
- I affirm that any scholarship funds may only be used to support the procurement of eligible goods and services that meet the educational needs of the eligible student to whom scholarship funds are awarded.
- I understand that if my student is awarded a scholarship, I must inform his/her public school district that he/she will attend a private school during the 2025-26 school year.

Step Up For Students

You will also be required to complete the Parent/Guardian Terms & Conditions. Make sure to click on the box at the bottom once you have read and agreed to the terms and conditions.

Sworn Compliance Statement

The Family Empowerment Scholarship and Florida Tax Credit Scholarship program statutes include parent and student responsibilities that parents and students must follow to participate in the scholarship programs. Pursuant to ss. 1002.394(10) and 1002.395(7), F.S. I affirm that:

- I will file an initial application for participation in the Family Empowerment Scholarship or Florida Tax Credit Scholarship programs by the date established by the eligible nonprofit Scholarship Funding Organization.
- I will inform the student's public school district that the student is going to be participating in the FES-EO, FTC, or FTCPEP program.
- I understand that participation in the Family Empowerment Scholarship or Florida Tax Credit Scholarship programs must be renewed annually.
- I understand that if I or my student at any time become ineligible for the scholarship program, including, but not limited to, enrolling in a full-time public school or residing outside of the state of Florida, my scholarship will be forfeited. In the event of ineligibility, I will immediately inform Step Up For Students so that the student's scholarship status may be updated.
- I understand that a Scholarship Funding Organization may not transfer any funds to an account of a student determined eligible under ss. 1002.394(3)(a) or 1002.395, F.S. which has a balance in excess of \$24,000.
- I will renew participation in the program each year. A student whose participation in the program is not renewed may continue to spend scholarship funds that are in his or her account from prior years unless the account must be closed pursuant to s. 1002.394(5)(a)2, F.S.

For FES-EO and FTC Program Students:

- I will select and enroll the student at a full-time in-person, eligible, participating private school.
- I understand the student is required to take the norm-referenced assessment offered by the eligible, participating private school or I may choose to have the student participate in the statewide assessments outlined in ss. 1002.394(7)(d) and 1002.395(7)(d), F.S. If I choose this option, I understand I am responsible for transporting the student to the assessment site designated by the school district.
- I understand I must approve scholarship payments to the eligible, participating private school the student attends.
- I will meet with the private school's principal or the principal's designee to review the school's academic programs and policies, specialized services, code of student conduct, and attendance policies before my student is enrolled.
- I understand that the student must remain in attendance at the eligible, participating private school throughout the school year, unless excused by the school for illness or other good cause.

For FTCPEP Students:

- I affirm that program funds will only be used for authorized purposes serving the student's educational needs, as described in s. 1002.395(6)(d), F.S., and that I will not receive a payment, refund, or rebate from an approved provider or for any funds provided under this section. I will not take possession of any funding provided by the state for the Florida Tax Credit Scholarship Program. This does not include reimbursements for expenditures approved by the Florida Tax Credit Scholarship Program.
- I understand that enrolling in a DOE-approved PEP Hybrid eligible private school for at least two school days per week requires that I address how the remaining instructional hours will be spent in my student's Student Learning Plan. I will be responsible for all eligible expenses in excess of the amount of the scholarship and for the education of the student.
- I will submit my student's Student Learning Plan to the Scholarship Funding Organization and revise the plan at least annually before program renewal.
- I will require the student to take a nationally norm-referenced test identified by the Department of Education, or a statewide assessment under s. 1008.22, F.S. and I will provide the assessment results to the Scholarship Funding Organization before the student's program renewal.
- I will procure the services necessary to educate the student. When the student receives a scholarship, the district school board is not obligated to provide the student with a free appropriate public education.

A parent/guardian who fails to comply with any of the above responsibilities forfeits the Family Empowerment Scholarship or Florida Tax Credit Scholarship programs.

I certify that I, and any applying student, meet the residency requirements for the scholarship programs in the State of Florida and understand that continued physical residency is a requirement to remain eligible for scholarship participation. I understand I must notify Step Up For Students if either myself or the student move out of the State of Florida while the student is participating in the Family Empowerment Scholarship or Florida Tax Credit Scholarship programs. Any student participating in the Family Empowerment Scholarship or Florida Tax Credit Scholarship found to not be a Florida resident will be in violation of ss. 1002.394 or 1002.395, F.S., as applicable.

Additionally, I understand that a student cannot be enrolled in public school on a full-time basis or participate in multiple scholarships under this section at the same time, including the Family Empowerment Scholarship for Unique Abilities, or the New Worlds Scholarship Accounts programs while participating in the Family Empowerment Scholarship for Educational Options or Florida Tax Credit Scholarship programs. If your child enrolls in public school on a full-time basis during this school year, you will forfeit your student's Family Empowerment Scholarship or Florida Tax Credit Scholarship.

I have read and agree to the compliance statement.
