**Transportation Stipend for the 2024-25
School Year!**

Date: 09/25/2024

Transportation Stipend

We're Now Accepting Applications. Apply Today!

Dear Parent/Guardian,

You may apply now for a 2024-25 Transportation Stipend for your child! Please log in to your existing [EMA](#) (Education Market Assistant) account to apply.

The Transportation Stipend is available to households, regardless of income, with student(s) in K-8 who are Florida residents. As long as funds remain available, students who attend a non-virtual public school that is different than their assigned school may be eligible for the Transportation Stipend. For more detailed information on scholarship eligibility, please review the [Parent/Guardian Handbook](#).

The Transportation Stipend will be worth \$750, and the stipends are issued per household, not per student.

Funds are limited for the 2024-25 school year. Please apply quickly for the best chance of receiving a stipend before funds run out. Priority is given to those students who received a Transportation Scholarship during the 2023-24 school year. Any remaining stipends will be provided on a first-come, first-served basis.

Documents Required

For the 2024-25 school year, families must upload **one of the following** documents when submitting their application:

- A copy of the student's public school progress report
- A copy of the student's public school report card
- A printout or screenshot from the student's online grade portal
- A letter from the student's school on school letterhead

Uploaded documents must include the student's name, school name, school address, school year, and current enrollment status.

Transportation Stipend

Legislative Updates

- Repeal the current Transportation Scholarship for public school students.
- Create a new Transportation Stipend which will award \$750 per eligible household for K-8 students to supplement transportation cost to a Florida, non-virtual public school that is different than their assigned school.
- Prioritize students who received a Transportation Scholarship in the 23-24 school year to receive transportation stipends for the 24-25 school year.
- New Worlds Scholarship families may also qualify for the Transportation Stipend.
