Private Schools & Transportation Scholarships

Step Up For Students offers two scholarships that are based on your household's income and other eligibility requirements: the Florida Tax Credit Scholarship (FTC) and the Family Empowerment Scholarship for Educational Options (FES-EO). FTC and FES-EO give families a choice between assistance with private school tuition and fees, or transportation costs for students to attend a public school different than the one they are assigned to. The application is the same for both the FTC and FES-EO scholarships. Step Up will determine if you are eligible, and for which scholarship.
