

# Virtual Instruction Program and Approved Online Course Providers

## External Guide

### An approved online or virtual provider is:

- A virtual program offered by a Florida Department of Education (FLDOE)-approved Virtual Instruction Program provider that meets the provider qualifications outlined by the FLDOE [here](#).
- An approved online course offered by a FLDOE-approved online course provider that meets the provider qualifications [outlined by the FLDOE here](#).

*Eligible programs: FES-UA, FTC, FES-EO, PEP*

*EMA Account Type(s): Business*

### Required Service Catalog documentation

- Be an approved FLDOE Virtual Instruction Program (VIP) provider
- Be an approved FLDOE Online Course provider

The Florida Department of Education publishes and maintains a list of approved online or virtual providers. The list of current providers for this category can be accessed [here](#).

**Note:** The business name in EMA (legal business name and advertised name) must match how it's listed on the DOE site.
