

## National Norm-Reference Test Exempt Form

Under program statutes for the Florida Tax Credit Personalized Education Program (PEP), all PEP students are required to take a nationally norm-referenced test identified by the Department of Education, or a statewide assessment under s. [1008.22](#), and provide assessment results to the organization before the student's program renewal\*.

However, students with disabilities for whom standardized testing is not appropriate are exempt from this requirement.

My student, Student Name: \_\_\_\_\_ Student ID: \_\_\_\_\_, has a diagnosed disability and is a student for whom standardize testing is not appropriate as determined by:

- A current Individualized Education Plan (IEP), less than three years old from the date of issue.
  - Issuing State: \_\_\_\_\_
  - Issuing County: \_\_\_\_\_
  - Date of Issue: \_\_\_\_\_

OR

- A diagnosed disability from a licensed physician or psychologist:
  - State of diagnosing physician: \_\_\_\_\_
  - Diagnosing physician: \_\_\_\_\_

I certify that the above are true and accurate and that my student is exempt from standardized testing requirements under state law. I understand that any misrepresentation of this exemption may result in the revocation of my student's scholarship, and/or return of scholarship funds and may cause me to incur financial or legal penalties.
